Local Events.

Wanted.—Good, strong teams to work on railroad construction. Will pay \$3 a day. Apply to Con-tractor Patterson, Beverly, W. Va.

William Burns, of Academy, has often up the frame of a dwelling-ouse. Dr McClintic's house is nearly completed and is a very handsome residence.

Springs, have opened a first class
European restaurant and barber
shop in connection with their bar.
Also free wagon yard with stalls
for horses, and house for wagoners
to camp in, located just below the freight depot.

Sydenstricker & Clark are drilling a well for A. M. McLaughlin, near Lewisburg. They have secured a good many orders in Greenbrier. The deepest well they have yet sunk was at the steam mill at Savannah, where they reached 104 feet. They are working in a rich and populous section. At Mr McLaughlin's they struck solid limestone at the depth of seven feet.

better he is going to stop voting the ticket. This terrible threat will cause the Democratic party to reward him for the mod has been better in any other improvement put there by the county authorities.

Were a road opened up between Dilleys Mill and Marlinton the distance from Dunmore would be shortened about five miles. reward him for the good he has done by securing him, a room at George Gladwell's county hotel where they stay at home on election day, When he called in his off-hand style at the printing office the other day for a "little chuck of dinner," he was requested to show his good faith by cutting wood. He did it but was terribly grieved and said that we were certainly turning Republican.

Advertising helps every live live in the county live in the coun

business. It widens the reach and is the third death in the family invigorates it generally. If your business is dead advertising will Nellie died last Christmas and a not help it any more than a stimulant will revive a corpse. The best advertisement a country merchant can have is in his home paper. If he advertises in a unique and noticable way his name will be in ticable way his name will be in everybody's mouth and they will come miles to his store, passing other other stores on ther way. But they will make only one trip

teresting phenomenon has been nototiced in one of Amos J. Dilley's meadows. About the last of July, 1896, Hevener Dilley raked hay one afternoon and was stopped by the eyening dews. Next afternoon Howard Dilley began where Hevener left off and raked twenty-four and the stopped by the stopped by the eyening dews. the eyening dews. Next afternoon Howard Dilley began where Hevener left off and raked twenty four rows, running about due north and south. When the aftermath grew up there was a marked difference in the rows, alternately twelve one color and twelve a different color, while nothing of the sort could be noticed in what Hevener raked over. A difference is still perceptation of the Levels and traded it to Henry McNeel. Hence the Doctor brings of the sort could be noticed in what Hevener raked over. rows, running about due north and south. When the aftermath grew up there was a marked difference in the rows, alternately twelve one color and twelve a different color, while nothing of the sort could be noticed in what Hevener raked over. A difference is still perceptable after a lapse of two years. Much attention has been attracted and the place has been visited by quite a number of persons and it has been the wonder of all.

To boot. The Doctor knew he could not be hurt and Nathan thought he was getting a good price for his horse. Nathan went to look at his bargain and concluded he was only in fun, and rode his horse on to the Levels and traded it to Henry a McNeel. Hence the Doctor brings his suit.

All parties met at Marlinton last Saturday and the matter was satisfactorily arranged. The trade stood and the sction was abated.

PERSONAL MENTION.

K. E. Hogsett, of Mill Point, has gove to Addison Springs.

Miss Mamie McClintic gave a birthday party July 7th in honor of her eighth birthday. The little hostess' mother, Mrs L. M. McClintic lintic, gave them a fine suppe There were no young gentlemen present except John and George McClintic who were permitted to come to the table. Those present were Mary Yeager, Katie Irvine Ona Bird, Edith McLaughlin, Texa Yeager, Gertrude and Vernie

house. Dr McClintic's house is nearly completed and is a very handsome residence.

Options have been taken by Senator N. C. McNeil on property situated at Buckeye, the first station south of Marlinton on the Greenbrier Valley Railroad.

There will be horse racing and tennis at Mingo next Friday and Saturday. Representatives from Marlinton and Covington will be present and engage in both pastimes.

Harvey Nottingham, now in the eighties, a much respected citizen of the Glade Hill vicinity, is in a precarious state of health and suffers much. Re devoted his early manhood to building up an ideal home in the primative forest; thinking Pocahontas was good enough for him. In his home in a secluded quiet vale, surrounded by his attached family, he is tranquilly awaiting the call to a "house not made with hands but eternal in the heavenlie." in the heavenlie."

in the heavenlie."

Ezra Wooddell is building up a very attractive home on Rosin Run, two or three miles east of Run, two or three miles east of Green Bank. This young man has had a chance to make something of himself. and according to Dr. Talmage he may be classed among the fortunate ones, as he had no f

John B. McCutchan, at the old McCutchan home on Thomas Oreel near Dunmore, a faithful Confed A fine Presbyterian church is being built on a lot given by A. M McLaughlin, of Greenbrier. The church is built as a branch of the Lewisburg church. It is said to be one of the most tasteful in the Greenbrier Valley. Mr McLaughis the practical head of the enter-prise. ories of a useful, well spent life and hopes of a better life beyond the present to sustain him. It is touching to see him sitting at the window with his Testament opened at words like these, "Let not your heart be troubled. In my

MILL POINT.

We hope the war will soon close cherries still seem to be plentiful as ever in places. Ivetta Audridge, of Buckeye, caused the writter to get his mouth blackened with them last Friday.

Some one from Buckeye last week referred to Isaac Smith and his little daughter. Miss Maud says she is glad they called her little for she always did like little

John Hambrick and W. H. Shafer have traded farms. The trade seems to suit all parties well. It gives Hambrick more land and more work to do, and gives the greater convenience to Shafer, being near the road at Marvin.

like to refer also to Patterson Simmons, who has done a job of plastering for Isaac B. Smith that is an exceptionally good one—not a single crack or break can be found. Let the good work go on, boys!
Mux.

The Mail Routes.

The Department has awarded Marlinton a daily mail and notices have been posted at the Marlinton postoffice for bids on a route of 41 miles from Lewisburg to Marlinton arriving at Marlinton not later than 9 p. M., and on a route from Travelers Repose to Marlinton. We have heard of only one bid being submitted and that was sent in from Lewisburg. In the winter time the mail often reaches Academy as late as nine o'clock at night, and the contractor must put in a better service for the countyseat will not wait aftertime for

ts mail.

The contractor should bid at or price that will not enable him to sarry it at a profit. The bids were losed July 17.

Commissioners Notice.

nessioner's Office, Marhuton W. Va., July 16th, 1898. Pursuant to a decree of the Cir-uit Court of Pocahontas County, ntered on the 24th day of June, 898, in the chancery cause of

G. P. Kerr and others

P. B. Rader and others.

The undersigned Commissioner will proaced at his office in the town of Marlinton, West Virginia, on the 20th day of August, 1898 to take, state, and report to court the following matters of account, towit:

The New Road.

The new road that has been much talked about between Glade Hill and Manday Dala was sing.

1st. An account showing what amount, if any, of the purchase money on said 136 acres of last is due to the defendant O. P. Chew from the defendants Philip B. Ra-

5th. Any other matter deemed pertinent by the Commissioner, or

BUCKEYE.

Plenty of rain and mud. O. W. Kellison was at Riverside

Vick Kelley, of Academy, was in town Monday.

J. C. Duncan was doing some milling last Sunday.

Walter Mann, of Edray was in town on business last week. A. W. McNeil and A. W. Rog

E. S. Hefner and Miss Neli Gordon were married last Tuesday. They had a very pleasant time. SLICK HAMMER.

Store News.

You cant make a purse from ow's ear, and if you could it would we noticed a few words of encouragement, in The Times a short ime ago, to mechanics. I would ike to refer also to Patterson Simnons, who has done a job of plastering for Isaac B. Smith that is an exceptionally good one—not a single crack or break can be found. difference in prices. Here is for a flyer: 2½ gallon Brass Kettles, heavy weight, for \$1.19 cash and larger sizes in proportion. I also have a few pieces in the 3½ cent calico. Persons who have tried them say they are fast colors. Come and buy while they last. A choice lot of Oxford ties latest styles at 98c.; worth \$1.50. P. GOLDEN.
